*“Your word is a lamp to my feet and a light to my path.”*

(Psalm 119:105)

Whenever I have to go to any new place, I need to know what roads to take but since I have GPS, I don't have to study the map before each trip. I can just type the address into the GPS and it can find the directions on how to get me to my destination. The only thing I have to do is to follow the directions that the GPS gives me. The GPS tells me when and where to turn. It tells me exactly how many miles are left to the destination and the time of arrival.

A couple years ago when I went to see my brother, I entered the address of my brother's house into the GPS and I just followed the directions according to GPS. Then I realized that instead of leading me to Goethals Bridge and later to Verrazano Bridge to cross into Staten Island to take Belt Parkway and Southern State Parkway to my brother's house, the GPS instead directed me to take Holland Tunnel and cross into downtown Manhattan to take the Long Island Expressway. Immediately, I said to myself "there is always a lot of traffic in Manhattan and as I used to cross the Goethals Bridge when I was working in Staten Island, NY, I thought to myself that it might be the best route." With that in my mind, I disobeyed how the GPS told me to go and I took exit 13 of New Jersey Turnpike. After few minutes of driving, I realized that there was a traffic jam. It was not moving at all. I stayed almost 20 minutes in the midst of slow moving traffic. I realized that my GPS had MSN Direct which transmits real time traffic, weather, and local gas price data to the GPS. So my GPS knew that there was a traffic jam on Goethals Bridge and also throughout the Staten Island Expressway. Finally, I listened to my GPS and got out from that traffic jam and I had to take the New Jersey Turnpike again later to take Holland Tunnel.

How many times don't we realize that our sources are limited and we cannot predict what can happen in our future? However, our God knows what will happen in our future if we keep doing what we are doing, so sometimes God wants to take us on a different route, not the one we used to take and the route we think that is the best: not Goethals Bridge this time, but the Holland Tunnel.

How many times have we not listened to God's directions?

So my question is "are we carefully listening God's voice and directions in our life or are we doing what we used to do all the time and take the directions we think are the best? As it is not only important to buy the GPS but also it is important to listen to what the GPS tells us, it is not only important to pray, study the word of God and be connected with God, but to listen and follow God's direction even though it is not the way we used to travel. My travel experience gave me a lesson and made me think that it is very important to listen to God's small voice and follow it even though it might not seem right for me.

In 2014, let us carefully listen to God's voice and follow God's directions.

## TRUSTEES: 2013 in Review

- A Children's Morning Out guidelines document and Committee was adopted by the Trustees and Ad Council in an effort to improve and move the CMO Preschool Ministry forward. We want to see it continue to succeed.
- Used, donated material to build a secure storage area for our Memory Bells Choir bells. Thanks to Ralph Curtiss for his leadership in design and construction.
- In February, we held a "Book Sale" and raised \$495 toward the budget. Darlene Murphy deserves credit for this successful event.
- The trustees are thankful that Linda Shiplet and Brenda Rogers have successfully received their food handlers licenses. Joe Dea has offered to get his license also. We have voted to reimburse these 3 and hope to keep at least three at all times.
- We have, along with Ad Council, agreed to charter Boy Scout Troop 12. They meet in our youth rooms on Thursday evenings. The boys of the troop gave enthusiastic assistance at the church Strawberry Picnic in June and also at the Chicken BBQ in September.
- A flat-screen monitor was installed in the sanctuary. The purpose was to prevent distraction in the order of worship when a video presentation was used to enhance a sermon or other worship elements.
- Dante Carpeting replaced the carpets in rooms 9 and 12 as well as the copy room, due to wrinkling and becoming a safety issue.
- In November and December, another safety issue made the replacement of our kitchen stove a priority. We appreciate the generous donations that made it possible to pay for the stove and its installation by 12/31/13.
- Led by Linda Shiplet's tireless efforts, we had a very successful Chicken BBQ. All those who helped this event succeed deserve the Trustee Board's gratitude and thanks. 10% of the profits were set aside for local mission use. Also, another 10% of the profits were provided to Boy Scout Troop 12 for their help. The remainder will be used by the Trustees for capital improvement projects in 2014.
- The Chester County Health Department requires a canopy over the BBQ pit and one has been purchased and enlarged. It will also provide shade during the church picnic in June.
- Gene Aucott found 2 cabinets in an office restoration project and has converted them into moveable book carts for our sanctuary. Our first chance to use them was the 1/12/14 service at 11 a.m. Using them will save our hymnals and bibles from being damaged and needing expensive replacement.

Our main goal in 2014 is to keep our operating expenses below \$53,000 and including our \$60,000 mortgage commitment, to not exceed \$113,000 total. More importantly, we want to provide an inviting, well kept building where others can find Christ and we have a place to corporately give our thanks and praise to Him. It will also give us a place to prepare us to spread the good news throughout "Judea, Samaria and the World."

Respectfully submitted by Vernon Ramberger

# BUDGET REPORT

## Finance Report for 2013

As a Church family, we are truly blessed with good stewardship in terms of tithes and offerings. Our expenses for 2013 were \$350,439 versus an overall income of \$344,552, resulting in a negative variance of \$5,887.

As part of our commitment to the conference's Retired Pastors Fund, we donated \$8,000 to "Fulfilling Our Covenant" through monies from the Harvest fund that Missions generously released for use in meeting this obligation. If we had not made this substantial payment, we would have ended the year with a positive increase in the general fund of \$2,113. Additionally, we donated \$1,966 to UMCOR for the Philippines disaster relief from our Thanksgiving collection. By sending in these two payments in the 2013 calendar year, we will receive a credit on our 2015 UMC apportionments thereby reducing this obligation in 2015.

With our many outreach and mission activities, we continue to make a difference. Take a moment to reflect upon and celebrate your contribution to the work of the Church, through your stewardship of financial resources, time, and talents. Additionally, celebrate the collective efforts of our Church family. Many wonderful activities are supported during the year by your donations.

A detailed annual report is available, should you desire a copy.

Thank you for your tithes and offerings. Respectfully submitted by Larry Yates, Chair of Finance

### Children's Morning Out

Happy New Year! We are so excited to have our CMO/Preschool back in session. It was a long break, but the children were eager to come back to see their friends and teachers and we were happy too! It always

brings such joy to me to see a smiling child and we sure had a lot of smiles. The children have jumped right back in to learning and have been very busy in their classrooms. I am always thrilled when I walk in to any of our classrooms and see and hear the children learning and playing together.

Although we have just celebrated the New Year starting, we are already thinking about next school year.

**We will begin our registration for next year on January 29<sup>th</sup>.** If anyone is interested in receiving information about our program, please contact me at [tracym@westgroveumc.org](mailto:tracym@westgroveumc.org). I love to share our philosophy and why our staff is so passionate about our program. Thank you as always for your support of our program!

Tracy McLaughlin, Director

The children of the church are invited to be in ministry through the children's choir. All children four and older are welcome to participate. If your child is three, but you feel he/she is mature enough, that is fine.

**The children's choir will be singing during both worship services on Sunday, Feb. 23<sup>rd</sup>.** They will be **rehearsing Sunday mornings in Room 4 at 10:45 on Feb. 2, 9, and 16.** For further information you may contact Joan Leaman at [jmleaman@comcast.net](mailto:jmleaman@comcast.net) or 484-643-2181

**Addiction**

**Tuesday, March 11, at 6:30 p.m.**

Addiction can affect everyone in one way or another from a parent, sibling, grandparent, or friend. When it does, there is plenty of help for the addicted individual for treatment and recovery. The question is, "Where is the help for the family to recover?" Like the addict the family needs help.

Through our community outreach, West Grove United Methodist Church is opening our doors to the public to learn about the dynamics which happen with addiction, not only for the addict, but also for the family. The program is entitled, "Family Wellness Program, Understanding Addiction & Recovery" and is conducted by Mike Rowe from Addiction Prevention Strategies. Mike will provide a comprehensive look at what happens to the family when addiction becomes part of their lives and what can be done to help them understand and recover.

"Through our Family Wellness Program conducted through the education systems with churches and synagogues, we are able to educate families in understanding addiction, enabling, the importance of detachment, as well as setting boundaries. We are also able to help families to get loved ones into treatment in a loving and respectful way." shared Mike Rowe.

***at Penn London Elementary***

Thank you for your generous support of our Adopt-A-Family program. The amazing support of people like you has allowed Penn London to provide gifts to 212 children in need.

Each year as we receive requests from our families, I always think we are never going to be able to help all of the families. Fortunately, each year we are fortunate to have generous classrooms, churches, individuals and organizations come to our assistance.

I hope you realize how much your kindness is appreciated. On behalf of the Penn London staff and all the families helped, I would like to say THANK YOU!

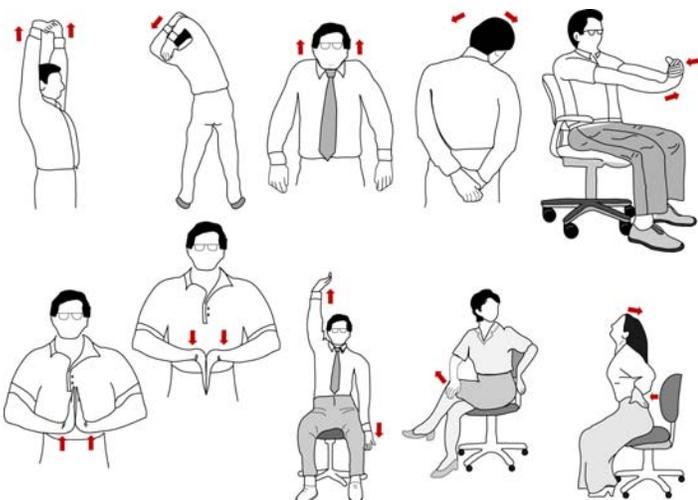

Sincerely,

## TIPS FOR MOVING AT WORK

Take some small (2-5 pound) hand weights to work to keep at your desk. If you have a minute or two, do a few sets of bicep curls.

Make exercise a part of your breaks. Take a brief walk or find a place to do some stretching.

If you find yourself standing in one place for a period of time (making copies, talking on the phone), spend that time raising yourself onto your toes and then lowering yourself back down.

Make a list of movement goals for work. The accountability will motivate you to fit exercise into your day.

~ Church Health Reader Fall 2013

## Foods from the Bible

### Lentils

The most prominent passage mentioning lentils appears in Genesis 25:34, which tells of the brothers Jacob and Esau. Jacob offers lentil stew in exchange for Esau's birthright. While they won't get you a birthright these days, they are still loaded with healthful benefits. With their high fiber content, lentils provide a filling meal that keeps you satisfied longer. Add cooked lentils to a cold salad, serve as a side dish to a hot dinner, or try your hand at lentil stew to partake in the nutritional benefits of these powerhouse legumes.

### Olives

Mentioned several times in the Bible, olives played a vital role in Mediterranean society in ancient times. Olive oil is a great alternative to butter, and olives can be added to salads, pureed into spreads, tossed in with pasta, or simply snacked on. They are particularly effective at lowering HDL and raising LDL cholesterol, as well as acting as antihistamines.

### Cinnamon

Is a popular spice, especially in baking, but can also flavor curry, meats, soups and is even delicious on a piece of toast. It's health benefits include controlling blood sugar and fighting the growth of bacteria.

Dear Sisters and Brothers in Christ,  
Greetings in the precious name of our Lord Jesus Christ. When Christmas day is coming close, and when the Angel's song "Gloria" again sounds in our ears, we would like to thank you very much for your prayers, for your assistance, and for taking part in our mission. Let us take this opportunity to wish you an early **MERRY CHRISTMAS**. We thank God for our son Danny, a young adult missionary in the Philippines. In November when the typhoon Haiyan crossed that country, he was at the safe place.

## Our projects:

### **REACHING OUT MINISTRY: Advance Number 150530**

These two months we visited and strengthened some Christian's congregations in Dodoma and Iringa regions. Some UMC congregations (at Makambako, at Njombe, at Ilula and at Mtipula) are in need to get plots. We paid and got a plot for UMC congregation at Mundemu. But we didn't get a time to go in Arusha area.

### **MOROGORO UNITED METHODIST PRESCHOOLS: Advance Number 15048N**

Preschools are going well. 37 children in Morogoro, 12 children at Mangae-Mkangazi, and 15 children in Dodoma completed their pre-school course. At Mtipula, there is no school around. Children in that area can't walk for more than 10 km to go school. We plan to get a big plot and to build a classroom which will be used for preschool classroom and for worship for the congregation.

### **WESLEY PRIMARY SCHOOL: Advance Number 3020704**

Again, all 24 students at Standard VII succeed at their National Examination. The school was ranked 1055 of 15,867 schools in Tanzania. As the school is still in progress, many facilities, such as the library, computer room, and one classroom each year, are in need.

### **SUSANNAH WESLEY TRAINING CENTRE:**

#### **Advance Number 3020705**

The program is going well. Some women and girls are attending sewing course and also the tie and dyeing course. Your assistances also enable us to accommodate rooms for the clinic.

### **UNITED METHODIST CHURCH CONSTRUCTION/MOROGORO: Advance**

#### **Number 15059N**

The church construction is now almost finished. Next step we have to put electricity wiring and to make floor.

### **MOROGORO PASTORS' TRAINING CENTER: Advance Number 3020710**

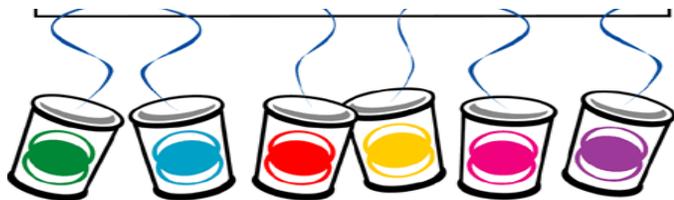

Next training course will be in June ,July and August 2014.

May our Almighty God bless you all.

Yours in Christ's love,  
Mrs Ngoy and Rev. Umba Kalangwa

# Sunday School Mission Cans

Below you will find information regarding two children which we as a congregation sponsor through Children International and Compassion International. We are able to help support our monetary monthly gifts to these organizations through the generous giving in our Sunday School program. As Sunday School classes continue to meet, please remember the mission cans located in each classroom and

know that the funds collected in these cans are being used to minister to the physical and spiritual needs of these children and their families. Also, please consider corresponding with Hasan and Danaed throughout the year to let them know of your love for them, especially on holidays and their birthdays. Thank you for your continued support of our sponsored children.

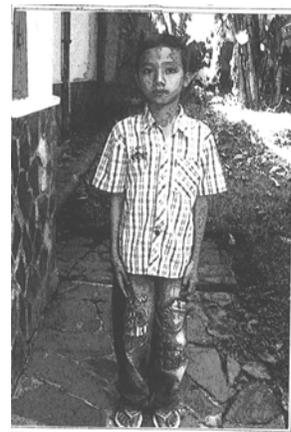

# Our Sponsored Children

eed Batista Aguirre 1046278

Through Children International, we continue to sponsor Danaed from Cartagena, Colombia. Danaed is currently 9 years old; her birthday is May 28. She likes to draw and sends us pictures with special messages throughout the year. Please continue to keep Danaed and her family in prayer. She has a little brother and they live in a community where the unemployment rate is high and many parents struggle to find steady work. The family lives in a house constructed of wood walls, dirt floors and a corrugated tile roof. It has a bathroom, one bedroom and a living room. Danaed sleeps on a metal bed. Please consider corresponding with Danaed: c/o Children International, 2000 East Red Bridge Road, P.O. Box 219055, Kansas City, MO 64121, Attn: Danaed Batista Aguirre, #1046278 CAR, Sponsors: West Gr919390.

We also sponsor Hasan from Indonesia through Compassion International. His birthday is April 7 and he is currently 12 years old. Art, running and playing group games are Hasan's favorite activities. In primary school his performance is average and he also regularly attends Bible class. Hasan lives with his father, mother and two siblings in the hillside community of Klayatan, home to approximately 6500 residents. Typical homes are constructed of tile floors, brick walls and plasterboard roofs. Our sponsorship helps provide Hasan with Bible teaching, special celebrations, retreats, medical checkups, vitamins, health education, nutritious meals, field trips, singing lessons and academic support. Please remember Hasan in your prayers. Our love and support will help him to continue to receive the assistance he needs to grow and develop. Consider corresponding with Hasan to encourage him in his faith and studies: c/o Compassion International, P.O.
