FEBRUARY 2015

"Above all, love each other deeply, because love covers over a multitude of sins." 1 Peter 4:8

I can remember the conversation every time someone new was added to our family. When Alisabeth was born, would we share the love that we have known for one another with her as well? And when Felicity came five years later, would we be splitting the love we had for Alisabeth in half? Would they both get time, attention, and love? Somehow,

three years later, the question still has life in it: Will we have enough love, time, and attention for Alisabeth, Felicity, and Peter to all have enough? Somehow, each time we do not divide a finite pot of love between our children, but it seems that our love overflows and each one is cared for.

Every time a family grows, each member is asked an implicit question: Is there room in your heart for the new member? This can be if it is the birth of a child, the addition through marriage of an in-law, the adoption of child, or the inclusion of a furry friend. However, a family grows and expands, each time we wonder is there enough love to go around? Can we care for the new dog with love? Will we include the new brother-in-law with tenderness? Is the new niece going to know the same love that the ones who came previously have?

But this is not just about our immediate families or even our extended families. This admonition to love is about our neighbors and our friends, our co-workers and acquaintances. It is about every time that we are sure that our lives are already full to overflowing. Every time that we think we have offered enough love, enough compassion, enough mercy to those around us. It is reaching out to the new neighbors who do not even remember everyone's names yet. It is including the co-workers from the office across the way in the group who gets lunch together.

From the First Letter attributed to Peter, we hear the words: love deeply, because love covers a multitude of sins. Loving deeply is more than an emotional sweetness to a beloved. Loving deeply is widening circle of compassion and care for those who cross your path. As I hold the newest member of our family closer during this time of maternity leave, I invite you to love deeply; to include more persons in your love; to trust that the love God gives you to share will not run out, but instead will multiply and grow exponentially as you share it.

In God's Love,
Pastor Monica

7. How to Retire Sacred Ministry in Your Local Church: Thinking Missionally to Create a Healthy Congregation.

Rev. Johnson Dodla, Senior Pastor Exton UMC

At some point in all our churches we have wondered about the viability of a certain ministry and didn’t know how to end that particular ministry. This workshop will provide conversation as to how we can end ministries that do not fall in line with the vision and mission of your particular local congregation.

8. Young Adult Ministry: The Spiritual Journey of the Millennials.

Presented by Young People’s Ministry EPA Conference.

Using the research from the Barna Group, we will explore the complexities of the Nomads, Prodigals, and Exiles and their impact on the life of the church. In addition, the Barna Group identified six reasons why young adults leave the church and the five myths that are pervasive in church attendance discussions. Young adult ministries need to consider the spiritual journey of millennials and the reasons why young adults leave the church.

Session 2: 11-12:20**1. How to Start Older Adult Ministries in Your Church.**

This workshop will be an actual EPA Conference Safe Sanctuary Training Session. Anyone in the workshop may use this as their initial or annual safe sanctuary training certification. Hear the story and learnings of ACT in Faith of Greater West Chester, an interfaith ministry established to help the un – and under – employed in West Chester.

6. Stop Failing Bible Study!: Choosing Successful Bible Studies and Programs for your Community and Context.

Rev. Mercedes Case, Pastor of New London UMC and Avondale UMC; Rev. Monica B. Guepet, Lead Pastor of West Grove UMC.

Have you tried to run a Bible Study you purchased in your community and watched it fail? Have you ever wondered how to use MissionInsite, a free resource from the Conference for learning about your area? Let us help you succeed with both! Join us as we use the free resource from the Conference and then apply that information to choosing the best Bible studies and programming for your local church.

7. Effective Community Outreach.

Rev. Mark Beideman.

We will explore effective ways to get your church started in community outreach. Find out tactics used by local churches to feed, clothe, and help those in need with basic human needs such as fuel oil, electric and rent. Find out how local and state agencies can help you in your efforts to help others.

8. Youth Ministry: Does Yours Speak To Youth And Their Fears?

Presented by Young People's Ministry EPA Conference.

Often many youth after high school stop attending church and tend to put God in the back seat of their life. One reason this may happen is that youth ministry is not directly speaking to current youth's fears about their life. After this workshop participants will be able to list 10 fears of current youth; describe 8 effective facilitation techniques; identify at least one way this workshop will be implemented in a youth group.

new MEMBERS CLASS

Save the date!

New member classes will start on **April 19, 2015**. We will meet on Sunday mornings for 3 weeks in Pastor Monica's office. On May 10th, we will welcome new members into our congregation. If you have any questions, please contact Pastor Monica or Melissa Jones.

Dear Friends,

We are warmed and overwhelmed by the sweet and thoughtful welcome, Peter has received into this world and into this community. We were delighted on December 28th, 2014 at 10:43pm to welcome Peter David Guepet into the world. He was 6 lbs, 6oz. 19 ¼ inches. He was 4 weeks early and has required some additional care. Your love and practical expressions of love have been humbling. We give thanks for meals, prayers, gifts, love, and much compassion. Thank you for it all!

Please save the date as we welcome Peter more formally into our church community on Sunday, March 8th through the sacrament of Holy Baptism. Our Bishop Peggy Johnson and our District Superintendent, Dawn Taylor-Storm will be with us that day as well.

In God's Love,
Pastor Monica,

Steve, Alisabeth, Felicity, and Peter Guepet

Please let Pastor Monica, Pastor Jim, or the church office know if you or a loved one is in the hospital. We would love to support you and your family with a visit. We depend on you to share the information of which hospital your loved one is in. Please also let us know of any other pastoral needs. We are also interested in gathering a visitation team. Please let us know if you are interested in supporting our homebound members in this way. Thank you!

Dear Southeast District,

I am deeply moved and humbled by the gift that was presented to me by the Southeast District Committee of Superintendency on behalf of the District. It is my joy and privilege to serve with you in ministry. I have chosen to share the gift with our District Resource Assistant, Rev. Lin George, who so faithfully serves us each and every day. The remainder of the gift has been used to support our Pediatric Unit that we are building as a District in Mpasa, Congo. Together, we will help children

know they are beloved by God, both in health and in sickness.

As we celebrate God's moving into the neighborhood this Christmas, I pray that we will continue to move into our neighborhoods with the love and grace of Jesus Christ. I give thanks for all the faithful disciples who are serving across this district. Each and every church on this district is seeking to serve God faithfully.

I give thanks for each of you and wish you and your families a blessed Christmas and a new year filled with God's peace and joy.

Together in Ministry,

Dawn

Board of Trustees Report

A Review of Your Trustees Board at Work in 2014

Our major planned capital expense of 2014:

The 1600 sq. ft. Handicapped parking area was redone and the entire parking lot was seal-coated and parking spaces restriped. Handicapped paintings as appropriate. D & G Asphalt of N. E., Md. Completed the project 8/13/14 @ cost of \$9300. Fundraising monies and profits from the 2013 and

2014 Chicken BBQ's were used to pay for this project.

A major challenge has been an upgrade to our computer network. Trustee chair, John Boyd, has some expertise in this area and has donated many hours and some personal finance to:

- Get Pastor Monica's computer on line
- Replace the C.M.O. preschool computer (outdated and damaged that repairs were not feasible)
- Updated and got replacements for lost programs (disks are now stored in church safe.)
- Provided a Server unit and will be creating "cloud storage" so that we will not need to rent/buy from a 3rd party.
- Has created a method to get internet connection to South Wing of the church so that Sunday School and Bible Studies has access for special presentations.

The Trustees 2015 budget was presented to Finance and Administrative Council for approval. There is an approximate \$5000 increase requested. A 2014 budget overrun was due to high propane fuel cost, increased phone rate, higher than expected snow removal costs, and a very tight budget expectation for 2014. The 2015 budget includes a new line item to cover Electronics/Software expenses. We will have to look for a new Electric Generation supplier in June when our current contract expires.

The two flat roof areas on our church will have to be replaced in 2015. We are trying to keep them patched through the fall and winter. Both have had leaks fixed twice and the current advice is to replace them.

Our annual Chicken B-B-Q fundraiser is sponsored by the Trustees. The purpose is to raise funds to help pay for capital expenses that occur beyond normal operating expenses. The congregation has responded and supported this program for many years. This is the second year we have netted a profit of \$4900. (This was due to the hard work of Linda Shiplet who led the project). Contributions are always made to support charitable groups. We have contributed a 10% donation to our Emergency Aid Fund that was established to assist in payments of electric, phone, rent or other bills for financially distressed families. A donation was made to our Youth Group who have strengthened this church through example with their mission work in the Philadelphia Project, West Grove Project, Paris Foundation and a mission trip to Washington, DC. Their own fundraising efforts were commendable. Our sponsored Boy Scout Troop 12 has served well in this fundraiser and at other functions the church has done or does. Therefore, we made contribution to them as well.

A Review of Your Trustees Board at Work in 2014

Continued from Page 8

The Trustees also passed a motion to empower our capable Church Administrator, Donna Fackler, to permit groups to reschedule the use of our building if they have met our past requirements and space is available for their requested dates. She is to keep the Trustee board notified of those approvals.

In March, we negotiated a new 5 year copier contract with Toshiba for a new Toshiba 523 Copier. It is performing well.

In order to cut propane costs, we explored working out a new deal with our current supplier or to buy out the tanks and move to a new supplier. We opted to buy out the two 1000 gallon tanks at a cost of \$2500 from Amerigas. Kauffman Gas has agreed to reimburse us for this cost and be our supplier at a \$2.15 fixed rate. They would be responsible for the tank maintenance. An anticipated savings of 50-65 cents per gallon of propane based on our current supplier average rate of \$2.68 per gallon will be realized.

The Trustees initiated a SCRIPS Gift Card Purchase Program and received approval from Finance and Administrative Council to go forward with the program. It requires members pre-paying for gift cards for places they regularly shop or expect to shop. Using the gift card to make payments for purchases provides the Church with a percentage of the value of the gift card at no cost to the members who take part. Cards do not expire, so a balance can be used next year if necessary.

Our annual Hood Suppression & Food Facility inspections were completed in late fall. We passed both inspections and, as a result, we are able to continue doing all of our events, such as the Chicken BBQ, Community Café, Special Dinners, Church picnics, Soup Sales, etc. where food is prepared and/or served at the church.

A new, upright bagless Hoover vacuum has been purchased to replace one that had broken and would not be cost effective to repair.

Two new exterior entrance mats have been purchased and provide a warm welcome to our church.

If you have any questions about the various projects the trustees are involved in, or would like to volunteer time to the trustees in the maintenance of our church property, please contact one of the board members listed below:

WEST GROVE UNITED METHODIST CHURCH

ENDOWMENT FUND

ENDOWMENT FUND

Big institutions have endowment funds to help them generate funds for specific projects. West Grove United Methodist has an endowment fund to this very end also. Our endowment fund is designed to gather funds from contributions, bequests, and memorial gifts. It is held and invested by the Mid Atlantic Foundation of the Eastern Pennsylvania Conference of the United Methodist Church.

As of December 31, 2014, the fund balance was \$11,358.28. Our by-laws say, "When the Fund is less than \$50,000, all income from the Fund will be reinvested in the Fund. When the Fund exceeds more than \$50,000, the income may be distributed as follows: A 10% tithe of the annual income accrued shall be returned to the corpus of principle for reinvestment to assure continued growth. Of the remaining balance distribution will be made as follows: 40% shall be distributed to the Trustees for approved maintenance projects or capital improvements.

30% shall be made available for approved programs, ministries and training. 30% shall be designated for approved mission projects beyond the local church.

Note: Income shall not be distributed to support the budget items of the Church regularly funded by the pledges and gifts of its members.

Our challenge is to grow our fund and you are encouraged to support it by making an annual donation to the fund or making a contribution in the memory of someone or including a bequest in your will. If you are making a contribution or memorial gift in memory of someone, make your check out to West Grove United Methodist Church Endowment Fund and send it to the church office, attention Donna Fackler. Help us to build our endowment for the future of our church. If you have any questions about the endowment fund, Rev. Jim Mundell can help you.

INDULGE IN LENT?

Rather than sacrificing something for Lent — especially something easy and spiritually insignificant, such as chocolate — Patty Kirk, in *Guideposts* magazine, suggests finding new ways to indulge in God's presence. Surely one can do this by having extra devotions or attending Lenten worship services. But Kirk offers these ideas:

- Spend time outdoors, sensing God's magnificence.
- Spend time with others, extending generosity and compassion. Remember Jesus' promise that when you care for others, you care for him (Matthew 25:31-46).
- Pray for the "little things," coming before God in childlike trust and feeling peace.
- Watch attentively for God's answers to prayer, and receive them as reminders of his presence.

• Turn anxiety into prayer. As you frame concerns as prayers and entrust them to God, you "sacrifice" the tendency to wallow in worry. Newsletter, March issue 2015

Chancel Choir

Our Chancel Choir has had a great year! The choir continues to enhance worship through music which is aligned to the scriptures and themes each week. We are blessed with a wonderful group

of talented singers. We occasionally incorporate other instruments in addition to the piano to accompany the choir, such as a violin, cello, flute, or trumpet. A highlight of our year was our cantata, "Covenant of Grace," presented on Palm Sunday. We all enjoy singing together and offer fellowship and support to each other throughout the year!

Betsy Smith, Choir Director

PraiseWorks Band

Our contemporary Praise team, "PraiseWorks," sings throughout the year and offers music each week to enhance and lead the congregation in worship. Our instrumentation generally includes a keyboard, bass guitar, electric and/or acoustic guitar, drums, and multiple voice parts. We offer fellowship and support to each other and have a great cooperative relationship. We are blessed to have such wonderful, talented

musicians who are very dedicated to sharing their musical gifts.

Betsy Smith, Interim Director

Memory Bells Hand Bell Choir

The Memory Bells Hand Bell Choir will celebrate their sixth anniversary this year on Christmas Eve. We are called the Memory Bells because our initial two octaves were purchased with money donated to remember several members of WGUMC who had passed away. More memorials, plus a donation from the Christian Fellowship Class, provided the funds to buy our third octave of bells plus our three-octave set of chimes. We rehearse every Monday night from September through June and play for the traditional service on the third Sunday of those months. We also participate in the Advent Music night and during Christmas Eve and Easter services. Once a year we unite with several other local bell choirs for a community concert. The free will offering that is taken provides funds for different agencies in the area each year. Every year we try to improve our skills through different techniques and by playing music with different difficulty levels. We try to select music that will make a definite contribution to our worship by celebrating the different seasons not only of the calendar year, but also the church year. I feel very privileged to be the directory of this very special bell choir made up of enthusiastic and committed ringers.

Children's Morning Out and Preschool

We are back in the swing of things in our CMO and Preschool classrooms. The children have been busy learning all about winter this past month. We have been busy with lots of snow activities. We have made snow, played in real snow, and even enjoyed following a recipe to make snowmen lattes. Check out our hallway to see many of the creative snowmen projects. Now in February the focus will turn to how to be kind and loving to our families and friends, with Valentine's Day coming up.

It is hard to believe but our Spring Consignment Sale is quickly approaching. The dates for the Spring Sale will be March 19th, 20, and 21st. If you would like to consign or are willing to volunteer during the sale, it would be greatly appreciated. There will be sign up sheets on our CMO and Preschool bulletin board. Consignment packets and instructions will be available beginning February 17th. I can always use extra help on Saturday with clean up and disbursement of the money. Please email me or stop in and see me with any questions you may have or to let me know you can help out. This is a great way to help out our CMO and Preschool program. Tracy McLaughlin, Director

Retired Active People

**Retired Active People (R.A.P.)****FRIDAY, February 13****12:00 p.m.-3:00 p.m.**

Hello All! February's meeting for RAP will be on Friday Feb. 13. We will be having **Games Day** so bring your favorite game. Please bring a friend or neighbor! We will have games there and, as always, dessert, coffee, hot tea, iced tea and lemonade will be available. Please bring your bagged lunch and meet us at 12:00 for prayer, fellowship and a great afternoon!

RAP is always an active, fun and enjoyable committee. We have been blessed with great food, dear old and new friends and the continuous blessings of Love from our Lord, Jesus Christ. Over the last year we have enjoyed the play "Moses" at Sight and Sound, and in December we went to see "Joy to the world" at the American Music Theater. Both were so special and the talent right in our own neighborhood is just amazing.

The wonderful entertainers, speakers, artists, etc. that join us each month is so special and I have been blessed time and time again. In the last couple of years, we started "movie day" and "games day" complete with popcorn and candy for snacking during the show and tons of laughter. I am so grateful to all the volunteers who help each month with setting up the tables, desserts, preparing the beverages and clean up. Not to mention the ideas, phone calls and work to schedule the talent that visits us. Please join us the **second Friday of each month from September through May** for a blessed afternoon. We would love to see you and remember, we are open to the entire community. Also a special thank you to Steve May and the Scouts for their help with set up each month! We are all so thankful. And...loads of gratitude to Helen Carlin for you input each month with our homebound and ill members. Peace and Prayers for a Healthy New Year! Blessings, Lisa Reoli
